(605)-370-4802

Professional Summary:

Work Experience:

- I worked at the B&G Milkyway in Tea for five summers and Casey's General Store for one winter, I did a little bit of everything; making food, cleaning floors, and customer service. Through this extended experience, I learned how to manage people, time management, and work as a team.
- I was a teaching assistant for Mr. McVey in High School. This helped me see education in a new light, as someone who was still a student.

Education:

- Graduated High School from Lennox High School in 2022
- Currently attending Dakota State University with a Major in Elementary Education and Minors in History and PREK-12 Reading.

Extra-Curricular:

- Took three years of Speech and Debate in High School, including making State in Extemporaneous Speaking and Public Forum.
- Played multiple sports while in school, including but not limited to, baseball, soccer, and Tae kwon do.
- Played on the Rocket League E-Sports team at DSU

Additional Skills:

- Educational Technology Skills (Google Apps and Microsoft Office tools)
- Formative Assessment Tools (Quizlet, Kahoot)
- Online Information Aggregates/Databases (Google News, Library of Congress, etc)

Personal Summary:

Interests/Hobbies:

- History
- Science
- Sports, most all of them but especially Hockey
- Cars and racing
